

INDUSTRIAL FAN

INTRODUCTION

Synerji's industrial wall and floor fans are built for powerful, reliable performance in demanding environments. With a sturdy design and high-efficiency motor, they deliver strong, consistent air-flow — perfect for workshops, warehouses, factories, and commercial spaces. Whether mounted or free-standing, these fans offer flexible positioning and targeted ventilation, helping to reduce heat and maintain comfort where it matters most.

FLOOR FAN 3 BLADE - 150W

SYF24F

Input: AC220V – 240V 50HZ

Power: 150W

Speed: 1400r/min

Capacity: 185m³/min

Diameter of the fan: 670mm

Height of stand: 1188mm – 1588mm

Material: Iron

Warranty: 1 Year

220-240v 50HZ VOLTAGE	1400r/ min RPM	185m ³ / min CAPACITY	150W WATTAGE
