

# RECHARGEABLE SOLUTIONS

## LED RECHARGEABLE DESK FAN

### INTRODUCTION

The Synerji Rechargeable Desk Fan is your go-to cooling companion — compact, stylish, and designed for total versatility. Featuring a powerful built-in battery and a convenient clip-on base, it easily attaches to desks, tables, shelves, or bedside stands.

Whether you're working, relaxing, or dealing with a power outage, this fan delivers quiet, reliable airflow wherever you need it, combining comfort with true on-the-go convenience.
