

LED WORK FLOODLIGHT

INTRODUCTION

The Synerji LED Rechargeable COB Work Light is a durable, hands-free lighting solution built for tough tasks. With a rugged nylon and aluminium body in a bold black and yellow finish, it's made for demanding environments.

It features a focused beam, wide-angle COB lighting, and multiple light modes—including warm white and red. Dual switches allow easy control, and a built-in stand ensures stable, hands-free use. Perfect for work, outdoor use, or emergencies.
