LED PANEL HANGING CABLE

INTRODUCTION

The Surface Hanging Cable Kit provides a secure and adjustable suspension solution for LED Backlit Panels. Designed for use with surface mounting brackets, it allows panels to be neatly suspended from the ceiling, creating a modern, floating installation. Manufactured from durable braided steel with precision fixing components, the kit ensures reliable support, easy height adjustment, and a clean professional finish.

LED PANEL HANGING CABLE KIT

SYFLPNSBCH12

1200X600mm
